Other Insurance

If other valid and collectible insurance is available to the **insured** for loss we would otherwise cover under this insurance, our obligations are limited as follows.

Excess Insurance

This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

- provided to you by any person or organisation working under contract or agreement for you.
- under which you are included as an insured.
- that has a policy period which continues after the Retroactive Date shown in the Declarations of this insurance.

This insurance is also excess over any insurance whose policy period begins or continues after the Extended Reporting Period begins.

We will pay only our share of the amount of loss, if any, that exceeds the sum of the total:

- amount that all other insurance would pay for loss in the absence of this insurance; and
- of all deductible and self-insured amounts under all other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not negotiated specifically to apply in excess of the Limits Of Insurance shown in the Declarations of this insurance.

Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this method each contributes equal amounts until it has paid its applicable limits or none of the loss remains, whichever comes first.

If any of the other insurance or any bond does not permit contribution by equal shares, we will contribute by limits. Under this method, each party's share is based on the ratio of its applicable limits to the total applicable limits of all.

Non Accumulation Of Limits Of Insurance

If this insurance contract is one of several insurance contracts issued by us or other member companies of the Group to you, and/or your subsidiary organisations, any claim or **suit** which could be covered under two or more insurance contracts will be subject to the limits of insurance under the insurance contract with the highest applicable limit of insurance or, if the limits are the same, under the limits of insurance of one insurance contract.

Policyholder

The person or organisation first named in the Declarations is the policyholder and is primarily responsible for payment of all premiums. The policyholder will act on behalf of all other **insureds** for the giving and receiving of notice of cancellation or nonrenewal and the receiving of any return premiums that become payable under this insurance.

Premium

Premiums shown in the Declarations as a deposit premium shall be credited to the amount of the earned premium due at the end of the policy period. At the end of the policy period, or any part of the policy period which ends with the termination of the policy, the earned premium shall be calculated for such period and, upon notice to the **policyholder**, shall become due and payable. If the total earned premium is less than the premium previously paid we will return to you the difference, provided that the

adjusted premium is not less than the minimum premium indicated in the Declarations.

You shall keep records of such information as is necessary for premium calculation and shall send copies of such records to us at the end of the policy period or during the policy period as we may request.

we will have the right to cancel this policy within 30 days from the date we are aware of the cause of cancellation or two years from the formation of this contract, whichever is earlier, or we will be liable to pay any damages, loss, cost or expense in connection with a claim or **suit** to which this coverage applies.

If you fail knowingly to perform the obligation of making full and accurate representations and statements, we will not be liable to pay any damages, loss, cost or expense in connection with a claim or **suit** prior to the cancellation, and will not return any premium after cancellation.

The **insured** will execute all documents required and will do everything necessary to secure and preserve such rights including the executions of such documents necessary to enable us to effectively bring claim under the laws of the jurisdiction where the subrogation rights are claimed.

Where the **insured** waives such rights after a claim is made or a **suit** is brought against the **insured**, we shall not be liable to make any payment for damages, loss, cost or expense in connection with such claim or **suit**. Any such waiver made without our prior consent after we make such payment is void.
